STAY HOME VIRTUAL FAMILY FILM FEST

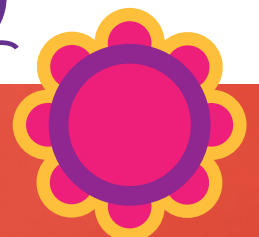

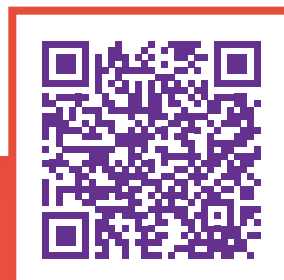

Riverside County Office of Education Visual and Performing Arts and the S.C.R.A.P. Gallery present this collection of eleven family friendly films with accompanying art projects.

Families can watch the films at no cost, and then enjoy doing a **creative art project** that reinforces the theme of the film. The film selection includes animated and live action films, whose primary focuses are either **nature or imagination**. The art projects can be done with simple art materials most of which are readily available and inexpensive.
