

CREATIVE TEACHING SERIES

Join artists Sarah Scheideman and Katrina Dippner as they lead participants through three different "make and take" art sessions. The materials for each session will be mailed out ahead of the session. Space is limited so please do not sign up for a session unless you are certain to be able to attend. You may sign up for any two of the three sessions offered so we can accommodate as many teachers as possible. Come create and learn with us!

SARAH SCHEIDEMAN

Sarah earned her Bachelor of Arts in Film and Visual Culture from University of California, Riverside. After graduating she launched the first ever arts and culture blog for emerging artists in the Coachella Valley. Scheideman went on to curate large festivals and art shows and is the co-founder of the art program, Lady Lead, for middle school girls in Palm Springs USD.

KATRINA DIPPNER

Artist Katrina Dippner has degrees in both Art and Interior Design. After launching her career in the Bay Area, she returned to southern California to pursue her twin passions of art and design. She loves making art accessible to all and is a true believer in the social and emotional benefits of the arts.
