

# Sample Rubric for Student Creation and Performance of Dance

Criteria	4 points	3 points	2 points	1 point
Locomotor Movement	Students use a variety of locomotor patterns, during their dance.	Students use some locomotor patterns.	Students use only a few locomotor patterns.	Students struggle with locomotor patterns.
Tempo	Students clearly understand the counts and rhythm of their movements and match the tempo to the music selected.	Students work with counts and a rhythm, but it doesn't align with the music.		
Pathways	Students use three different types of pathways.			
Level	Students use three levels in formation.			
Energy/Force	Students maintained energy and force throughout the dance.			

Demystifying the Framework
