ARTS OVERVIEW for Arts Organizations & Artists in Residence

Did you know that the Arts at RCOE offers a training for Arts organizations and their Artists In Residence? It has been done in person for the staff of Riverside Art Museum, the Cheech Museum, and Tools for Tomorrow. The approximately one-hour presentation features an overview of the new Arts Standards, Arts Framework, Classroom Management, and Student Engagement Strategies. There are also two accompanying handouts to use if you decide to view it online and take notes and quiz yourself as you go along. We hope you enjoy and can make use of this free, new resource. If you have a staff that you would like trained in person, please contact Louisa Higgins at lhiggins@rcoe.us
